Dear Mrs Manley

Your letter received concerning the treatment you received in Knoxville. I am quite sure you are mistaken about the bill you received for rain out game. Was it not Greensboro and not Knoxville. If it was from Greensboro you owe 28.00 which was half of the advertizing expence which includes add in white papers - Radio - & Posters sent from Phila. I told Wells and said I would explain to Abe as we paid the same kind of bill last year when we were rained out at Winston-Salem you only pay this expence when you have two Clubs traveling to pether. You dont pay anything when you are playing the local Club. Is for makes bill they will have to pay it. They paid for posters we sent. When we played in Knoxville I only took 30% because I was trying to help them. They sure know the difference because I told them they would half to pay other clubs 30%. J. H. T. & H. P. over

In other words they owe you by my figures
45.31 Cents more
